## GET INVOLVED! At Your Business

Selfless companies across the business world come together, united by their commitment to Wellspring London and help ensure that no one faces cancer alone. Toupee for a Day is a fun and meaningful way to bring your team together to share in the journey of supporting those living with cancer.

Whatever line of work you are in, we'd love to have you "put it on for the ones you love." Every dollar you raise goes to support Wellspring London's vision – that no one faces cancer alone. If you want to get your organization involved, simply register a team and start recruiting others to join you.

There are many ways a business can get involved; each finds their own creative niche. Read on to see just some examples of how groups can support Toupee for a Day and how you can get involved. Should you need any help let us know.

## SIMPLE WAYS TO GET INVOLVED

- Register a team at [toupeeforaday.com/London](http://toupeeforaday.com/London)
- Host a registration party to encourage "do" gooders to sign up
- A registration event is a great way to get everyone within your workplace or community together to sign up for Toupee for A Day and commit to the event. It will also give you an opportunity to outline your plans for fundraising and provide information on the services that Wellspring London offers.
- Encourage a bit of healthy competition between offices, clients and vendors by getting them to register and fundraise with you
- Print posters and post them in key spots around your office
- Approach key people around the office to champion the cause internally
- Have a guest speaker come in and speak about Wellspring London and its cancer support services
- Be creative - organize fun activities in the office to fundraise
- Tell us how you plan to fundraise and we'll drop off your Toupees (fundraising can be done in advance of March 4th). Fundraise for more than \$50 and get your toupee for free!
- Join us for a celebration and to share your story. Check the website for details.
- Wellspring does not receive any government or United Way funding and depends upon community support.
