GET INVOLVED! In Your Community or as an Individual

Our hope is to involve everyone in the community...the young, the old and everyone in between. Sports teams, bowling leagues, service groups, fire halls and more, all wearing toupees and supporting those living with cancer. The level and types of support vary from one group to another, but their combined efforts play a vital role in helping Toupee for a Day achieve its vision that no one has to face cancer alone.

Not part of a group? Just download a pledge sheet and ask friends and family to help raise funds and awareness for Wellspring.

There are many ways a community group can get involved; each finds their own creative niche. Read on to see just some examples of how groups can support Toupee for a Day and how you can get involved. If you need any help let us know.

For more details contact joanna@wellspringlondon.ca

SIMPLE WAYS TO GET INVOLVED:

- Register a team/group or as an individual at toupeeforaday.com/London
- Get your local sports team involved: football, basketball, soccer- any sport is great. Book Clubs, Bridge Clubs, Church Groups etc can all help make a difference
- Encourage local clubs and restaurants to do their part for cancer support
- Print Toupee for a Day posters and post them at key spots around your community
- Have a guest speaker come in and speak about Wellspring London and cancer support services
- Approach key people in your group or community to champion the cause internally
- Have a guest speaker come in and speak about Wellspring London and it's cancer support services
- Use your creativity - organize fun activities
- Tell us how you plan to fundraise and we'll drop off your Toupees (fundraising can be done through the entire month of March)
- Join us for a celebration and to share your story. Check the website for details.
- Wellspring does not receive any government or United Way funding and depends upon community support.
